This one-hour presentation, jointly provided by the University of Cincinnati, Rockpointe and Brook Lane, will address the complex challenges faced in providing treatment for clients with schizophrenia. Strategies will be presented to help prevent relapse by working with clients to overcome obstacles to adherence to treatment plans.

Early initiation of treatment for schizophrenia and related psychiatric disorders is believed to improve outcomes by catching these disorders when they are most responsive to treatment and when treatments can possibly halt the neuro-progression that leads to pathophysiological, symptomatic, and structural changes. Unfortunately, considerable barriers to adequate early treatment exist, including delays in treatment initiation, inadequate prescriptions of antipsychotics, a lack of patient adherence to treatment regimens, and underuse of measurement-based care among psychiatrists.

At the conclusion of this activity, participants should be able to demonstrate the ability to:

• Implement a collaborative care approach to patient management in schizophrenia and schizoaffective disorder to help remove barriers to patient adherence;
• Discuss the impact of psychosis relapse on the course of schizophrenia and schizoaffective disorder;
• Implement strategies to promote early treatment initiation and treatment adherence in patients with schizophrenia and schizoaffective disorder to improve long-term outcomes.

Featured Presenter:
Christoph U. Correll, M.D., is a professor of psychiatry and molecular medicine with the Department of Psychiatry at Hofstra North Shore-LIJ School of Medicine in Hempstead, New York. He is also the medical director of the Recognition and Prevention Program at Zucker Hillside Hospital, Glen Oaks, New York. Dr. Correll is a frequent speaker and leading expert on child/adolescent schizophrenia.

Continuing Education Credits

Physicians: The University of Cincinnati designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Cincinnati and Rockpointe. The University of Cincinnati is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Maryland Social Workers: Brook Lane Health Services is an approved sponsor of the Maryland Board of Social Work Examiners for continuing education credits for licensed social workers in Maryland. Brook Lane is solely responsible for all aspects of the program. This program will provide 1.0 credit hours of Category I continuing education; partial credit will not be awarded.

Counselors/Therapists: Brook Lane Health Services has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 5452. Programs that do not qualify for NBCC credit are clearly identified. Brook Lane is solely responsible for all aspects of the program. This program will provide 1 clock hours; partial credit not allowed.

Other Healthcare Professionals: A certificate noting the number of educational/contact hours will be provided.

Funding Disclosure: This program is supported by an educational grant from Janssen Pharmaceuticals, Inc., administered by Janssen Scientific Affairs, LLC and has been fully vetted by Susan P. Tyler, Rick Ricer, MD, & Barb Forney to assure the content is non-biased and does not promote a specific product.
